## **VII. NEW BUSINESS**

- D) Motion by Weiers, Seconded by Harmeyer to approve Resolution No. 2022O Appointing Elections Judges for the State General Election. Approved unanimously.
- E) Evans indicated that an individual inquired about renting the council chambers. Renting the chambers had stopped when the pandemic started in early 2020. Evans stated that the city does not have a policy in place that regulates the renting of the council chambers. Many cities in the surrounding area only rent their chambers to non-profit, 501c3 type entities. Attorney Moran suggest that a policy would be a good idea and will begin drafting something together to help staff regulate chamber rentals. This topic will be tabled until a proposed policy is provided to the council for review.

## **VIII. ADMINISTRATION & MISC.**

- A) Evans proposed a mock agenda structure to the council for discussion. The city currently participates in the Pledge of Allegiance and the new structure would have that noted. There would be a consent agenda added to the regular agenda. This would streamline approving routine business that is generally brought before the council. One motion would approve all items listed on the consent agenda. It was also discussed to incorporate future public hearings within the body of the agenda and not call a hearing prior to the start of the regular meeting. The council was okay with these recommendation and Evans will incorporate the changes in future agendas.
- B) Motion by Scott, Seconded by Harmeyer to move the regular November meeting to November 15<sup>th</sup> because of the General Election. This would also allow the council to

canvass county election results which is a requirement of the state. Approved unanimously.

- C) Harmeyer gave an update to the council on the FEMA Flood Insurance Map Meeting that took place on September 21, 2022. There will be future meetings on this topic but if the city chooses to opt in, we will need to pass an ordinance in the future. FEMA will keep city staff updated on the process going forward.
- D) Mayor Fredrickson reminded the council of the upcoming Le Sueur County Officials Association meeting on October 26, 2022, at 7:00 p.m. location TBD.

## **IX. CLOSED MEETING**

The council chose to not go into closed session because it only received one purchase agreement and it was initially anticipated that two purchase agreements would be brought before the council. Purchase agreement was from Miller Homes, LLC for Lots 14, 15, 16, 17, all in Block 003, Horizon Addition, Le Center MN, for \$285,000.
